Maid Introduction

**Personal Assessment**

Ethel is 31 years old, single, with a degree in Bachelor of Science in Commerce major in Banking and Finance. She hails from Bacolod City, southern part of the Philippines. People in this place are known for being loving and cheerful. Being the eldest child in the family, she wants to handle the responsibility of helping her mother to work and earn to support the family. Ethel knows that working here in Singapore as a domestic helper is completely different than her previous jobs in the Phils. wherein she needs a lot of adjustment in the nature and kind of job she's going to take here in Singapore and according to her, she already prepares herself to be far away from her family because she knows that in that way, she can give her them a better life.
